

111TH CONGRESS
1ST SESSION

S. 1694

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 15, 2009

Referred to the Committee on Energy and Commerce

AN ACT

To allow the funding for the interoperable emergency communications grant program established under the Digital Television Transition and Public Safety Act of 2005 to remain available until expended through fiscal year 2012, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. PUBLIC SAFETY INTEROPERABLE COMMUNICA-**
4 **TIONS GRANTS.**

5 (a) Notwithstanding section 3006(a)(2) of the Digital
6 Television Transition and Public Safety Act of 2005 (47
7 U.S.C. 309 note), sums made available to administer the
8 Public Safety Interoperable Communications Grant Pro-
9 gram under section 309(j)(8)(E) of the Communications
10 Act of 1934 (47 U.S.C. 309(j)(8)(E)) shall remain avail-
11 able until expended, but not beyond September 30, 2012.

12 (b) The period for performance of any investment ap-
13 proved under the Program as of the date of enactment
14 of this Act shall be extended by one year, but not later
15 than September 30, 2011, except that the Assistant Sec-
16 retary of Commerce for Communications and Information
17 may extend, on a case-by-case basis, the period of per-
18 formance for any investment approved under the Program
19 as of that date for a period of not more than 2 years,
20 but not later than September 30, 2012. In making a deter-
21 mination as to whether an extension beyond September
22 30, 2011, is warranted, the Assistant Secretary should
23 consider the circumstances that gave rise to the need for
24 the extension, the likelihood of completion of performance
25 within the deadline for completion, and such other factors

1 as the Assistant Secretary deems necessary to make the
2 determination.

Passed the Senate October 14, 2009.

Attest: NANCY ERICKSON,
Secretary.
